

# Reception Newsletter- 26.9.23

We will learn all about 'Houses and Homes' this week. We will learn about the different places where people live and name different types of houses. The children will compare different houses and identify what is the same and different about them. As it is European day of Languages this week, we will also find out some interesting facts about France as French is our school language.

## RECEPTION

### STATUTORY BASELINE ASSESSMENT

We will complete our assessments this week and send home your child's summary report. We will discuss this with you at Parents evening in October.

**Please send in or upload a picture of your house for your child to share and talk about in class!**

**Thank you!**

### **\*\*IMPORTANT REMINDERS\*\***

**Please send in spare clothes for your child so if they have a wet accident, we can change them. Please remember to replace any clothes that are used.**

**PE lessons have now started so please send your child into school every FRIDAY wearing their PE Kit.**

**Please return your child's reading book and Reading Diary every week on the specified day.**

**Please send in one snack and a fresh water bottle every day for your child.**

### **Things to do to help at home:**

**Talk about your house, the area where you live and your address.**

**See if your child can remember the names of different types of houses and look out for them when you are out and about together.**

**Share and discuss different stories together as often as possible.**

**Make a note of the books you share together at home in your child's Reading Diary.**

**Encourage your child to talk about what they have learnt at school about France. See what they can remember!**
