

## Pre-School Newsletter 19<sup>th</sup> and 26<sup>th</sup> February

Wow! And just like that we are already starting Spring 2! We have got so many exciting things planned. On our first week back, we have got our Valentine's Stay and Play, we are so looking forward to this. Our topic for this term is people who help us. We will be focussing on paramedics on our first week back and the police on our second week. Our key nursery rhymes are; Doctor Foster went to Gloucester and Miss Polly had a dolly. Key vocabulary; love, family, care, friends, Valentine, hospital, ambulance, doctor, nurse, 999, police, constable, siren, emergency.

### Half Term Project

We would like to invite you to have the opportunity to create a piece of artwork based off what your child would like to be when they grow up. This will help inspire our new topic of 'People Who Help Us.'

You are welcome to use any forms of media to create your art work.

Here are some pictures for inspiration!

### Phonics and Maths

The children are loving participating in our new Phonics and Maths lessons. These are short and engaging lessons throughout the morning.

Within Phonics, we will explore aspect 3 which will consist of musical maestro and composing body percussion.

During Maths, we will be consolidating our learning on number recognition and touch counting to 5.

### Things to do at home

**Monday 19<sup>th</sup> February - Valentine's Stay and Play. Please see the invitation for more information.**

Discover what shapes are in your environment at home and talk about their properties.

Encourage independence in self-care routines, such as; zipping coats, putting on hat, scarves and gloves.

Please ensure ALL items of clothes are labelled.

Have lots of fun and please share photos on Dojo!
