

Pre-School Newsletter 4th and 11th March

We are excited to be continuing our 'People Who Help Us' theme learning all about Dentists and Firefighters. We will explore the importance of keeping our teeth clean, how we can keep them clean and the role a dentist plays in this. We are also extremely thrilled to be welcoming a firefighter into school to talk to the children about the importance of his job; we will also explore fire safety with the children.

Phonics and Maths

In maths we will be exploring capacity with varying sizes of containers. The children will be able to practise filling and emptying containers to different levels. We will also be making predictions around an object's weight and using scales to accurately measure this. In phonics, we are continuing to teach Phase 1 phonics. To support this at home you could; identify rhyming words, identify alliteration and listen to different beats together.

Key Vocabulary

- | | | |
|----------------|---------------|-------------|
| • Toothbrush | • Fire | • Capacity |
| • Toothpaste | • Firefighter | • Container |
| • Teeth | • Fire engine | • Full |
| • Dental chair | • Emergency | • Empty |
| • Mouth wash | • 999 | • Weight |
| • Dentist | • Protect | • Scales |
| • Dental floss | • Prevent | • Heavy |
| | • Fire safety | • Light |

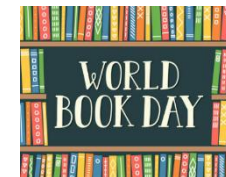

Key Reminders

Thursday 7th March – World Book Day

Friday 15th March – Comic Relief

Tuesday 19th March – Easter Egg Hunt (please speak to the office)

Things to do at home

Discuss personal experiences of visiting the dentist and practise good dental hygiene together.

Bath time fun – practise filling and emptying different containers. What does your child notice?

Have a wonderful weekend! 😊
